

# Pricing Policy

**Last updated:** January 2026

Power Values is committed to transparency, clarity, and fairness in how pricing is presented and applied across our products and services. This Pricing Policy explains how prices are set, displayed, and processed on our website.

## 1. General Pricing Information

All prices displayed on the Power Values website are listed in **U.S. Dollars (USD)** unless otherwise stated. Prices may apply to digital products, assessments, educational programs, coaching services, memberships, or related offerings.

Pricing is subject to change at any time. Any changes will not affect purchases already completed and confirmed.

## 2. Digital Products and Programs

Prices for digital products, online assessments, courses, certifications, workshops, and downloadable materials are clearly displayed at the point of purchase.

Unless explicitly stated otherwise:

- Digital purchases are **one-time fees**
- Access details are provided immediately or via email after successful payment
- No physical goods are shipped

## 3. Subscriptions and Memberships

If an offering is subscription-based or recurring:

- The billing frequency (monthly, quarterly, or annual) will be clearly disclosed before checkout
- Charges will continue until the subscription is canceled by the customer
- Customers may cancel future billing according to the terms stated at the time of enrollment

## **4. Coaching and Services**

Pricing for coaching programs, group experiences, or consulting services may vary based on scope, duration, or delivery format.

When applicable:

- Prices are disclosed prior to payment
- Payment plans, if offered, are clearly outlined
- Any additional terms are provided in writing before confirmation

## **5. Taxes and Fees**

Prices listed do not include applicable taxes, VAT, duties, or government fees unless explicitly stated. Any required taxes are calculated and displayed at checkout based on location and applicable regulations.

Power Values does not charge hidden fees.

## **6. Promotions, Discounts, and Special Offers**

From time to time, Power Values may offer promotional pricing, discounts, or limited-time offers. These:

- Apply only for the specified time period
- Cannot be retroactively applied to prior purchases
- May not be combined unless explicitly stated

## **7. Payment Processing**

Payments are processed securely through third-party payment processors. Power Values does not store full payment card details on its servers.

By completing a purchase, you authorize the applicable charges according to the price and terms presented at checkout.

## 8. Errors and Corrections

While we strive for accuracy, pricing or typographical errors may occasionally occur. Power Values reserves the right to correct any errors and cancel or adjust orders affected by incorrect pricing, with prompt notification to the customer.
